2015 Back Cove 41

Boat Type: Downeast

Address: SAN DIEGO, CA, US

Price: \$685,000

OVERVIEW

PROFESSIONALLY MAINTAINED BY EXPLORER MARINE SERVICES

VESSEL IS HELD IN A TRANSFERABLE LLC - TAX SAVING UPON TRANSFER

LOW LOW HOURS - 111, best equipped 41 on the market

NEW bottom paint 5/25/2017

The Back Cove 41 is the largest Back Cove to date and is fitted with an efficient single Cummins 715hp UPGRADED diesel engine. The yacht is also equipped with the proportional bow and stern thrusters EASY DOCK system - with Dock hold feature, a generator and reverse cycle heat and air conditioning systems are standard. The focus of her balanced interior arrangement is on her two comfortable staterooms each with a private head, the master has a separate enclosed shower stall, and Island style berth for ease of access. The centralized galley location serves the open air cockpit as easily as the main salon. Kevin Burns, Vice President of Design and Product Development says, "The 41" was conceived from the onset to serve as

the flagship of the Back Cove fleet. Clean, purposeful lines and naturally pleasing proportions dominate the profile and are supported by serious attention to the sculpted details that set today's Back Coves apart from their peers.

DESCRIPTIONS

Description of the Back Cove 41

The Back Cove 41 is the largest Back Cove to date and is fitted with an efficient single Cummins 715hp (Upgraded

from 600 hp) diesel engine. The yacht is also equipped with the proportional bow and stern thruster "Easy Dock" system, a generator and reverse cycle heat and air conditioning systems are also included. The focus of her balanced interior arrangement is on her two comfortable staterooms each with a private on-suite head. The centralized galley location serves the open air cockpit as easily as the salon.
